DX Code of Conduct

- I will listen, and listen, and then listen again before calling.

- I will only call if I can copy the DX station properly.

- I will not trust the DX cluster and will be sure of the DX station's call sign before calling.

- I will not interfere with the DX station nor anyone calling and will never tune up on the DX frequency or in the QSX slot.

- I will wait for the DX station to end a contact before I call.

- I will always send my full call sign.

- I will call and then listen for a reasonable interval. I will not call continuously.

- I will not transmit when the DX operator calls another call sign, not mine.

- I will not transmit when the DX operator queries a call sign not like mine.

- I will not transmit when the DX station requests geographic areas other than mine.

- When the DX operator calls me, I will not repeat my call sign unless I think he has copied it incorrectly.

- I will be thankful if and when I do make a contact.

- I will respect my fellow hams and conduct myself so as to earn their respect.
